INTRODUCTION

This guide provides students and their parents/caregivers with information about the Year 10 subjects available at Waiuku College. It is hoped that this information will help students, and their parents/caregivers, as they decide what subjects to take next year.

Choosing the right subject is very important as it can have a major influence on a student's educational success. Students have a lot of subjects to choose from. It is important that they think carefully about where they want to go when they leave school before they decide which courses to take. If a student has no idea what they want to do they should choose a broad range of subjects. Remember, it becomes more difficult to change direction as students progress through the senior school, so **think carefully, consult widely and choose wisely.**

Selecting Subjects

Take a close look at the Waiuku College Subject Overview on the previous page. The overview shows all of the subjects available at Waiuku College. Paying particular attention to which subjects lead on from Junior level to NCEA Level 1, 2 and 3.

Note those subjects that stop at a particular level, and plan how you will fill your options if you go on.

Students should follow a broad-based, general course of study for as long as possible. Early specialisation is not recommended.

General criteria you should use in your choices are:

- Your interests
- Your abilities
- Any career intentions you have
- Allow for flexibility in case of a change in your career plans
- Any subjects needed for higher level or tertiary studies

To make good decisions, you need the right information. Check that you have:

- Discussed your subject choices with your family, teachers, Dean and the Careers Advisor
- Used the Quest Database at www.careers.govt.nz

Important Dates

- Wednesday 24th July – Course Information booklets emailed to students/parents
- Wednesday 31st July & Thursday 1st August – Pouako Conferences
- Friday 9th August – Deadline for all subject choices to be entered via KAMAR portal

The school reserves the right to cancel or change courses.

JUNIOR OPTIONS GUIDELINES 2025

YEAR 10 COURSES

In Year 10, all students take the core subjects:

- English
- Mathematics
- Science
- Social Studies
- Health and Physical Education

They also choose up to four option subjects:

Option Subjects	
Full Year Options	Half Year Options
<ul style="list-style-type: none"> • Music • Spanish • Te Reo Maaori 	<ul style="list-style-type: none"> • Ancient Civilisations • Art • Business Studies • Design and Visual Communication • Digital Art • Digital Technology • Drama • Food Technology • Hard Materials • Investigative Geography • Music • Outdoor Leadership • Te Ao Maaori

Students can take a mixture of full and half year options as follows:

Example 1	
First full year option	Second full year option

Example 2	
First full year option	First half year option
	Second half year option

Example 3	
First half year option	Second half year option
Third half year option	Fourth half year option

HOW TO ENTER YOUR SUBJECT CHOICES ON KAMAR

Students should login into the [Waiuku College KAMAR Portal](#). If they have forgotten their KAMAR login details, they can ask their Pouako (Form Teacher).

Once they have logged in they should click on **Course Selection** and then click next to their chosen subject. Note, you can only select one subject per column. In addition to the required number of courses students should also choose two alternative courses by ticking next to the course name in the **Alternate** column . If, for any reason, we are unable to offer you one or two of your chosen courses we will use the alternate courses instead.

Students do not need to enter the core subjects as this will be done for them.

Students going into Year 10 in 2025 must select up to **four** option subjects as follows:

- Two full year options
or
- One full year option and two half year options
or
- Four half year options

When they are ready to confirm their choices they should click on **Preview Selection** and then **Confirm Selection**.

If for any reason, a student changes their mind they can log back in and change their choice of subjects any time before the deadline. It is important that they confirm their new selection when they are finished.

The deadline for students to enter their subject choices on KAMAR is **3:10pm on Friday 9th August**.
